

EXTENSIONS OF REMARKS

HONORING JUDGE MARY HARPER

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 18, 2019

Mr. VISCLOSKY. Madam Speaker, it is with great respect and admiration that I take this time to honor Judge Mary Harper and to wish her well upon her retirement. For her lifetime of service and her dedication to the residents of Porter County, Indiana, Judge Harper is to be highly commended. After more than thirty-five years of service, Judge Harper will be retiring this month from her position as Porter County Circuit Court Judge. To commemorate this special occasion and to pay tribute to her exemplary career, a celebratory event took place on Tuesday, December 17, 2019, at the Porter County Expo Center in Valparaiso, Indiana.

Judge Mary Harper grew up in South Bend, Indiana, before pursuing her collegiate studies at Colorado State University and later earning her Juris Doctorate from Valparaiso University. In 1984, she was elected judge of Porter County Court No. 2, before the state legislature converted her court to Superior Court No. 3 in 1986. In 1996, Judge Harper was elected to the Porter Circuit Court. In this position, Judge Harper presides over the Porter County Juvenile Court. She has been instrumental in implementing successful youth justice initiatives, including Juvenile Drug Court, Family Court, and the Juvenile Truancy Diversion Program, as well as a mental health initiative for juveniles. Each of these innovative and life-changing programs has proven to be of tremendous benefit to the youth and families of the community. I would be remiss if I did not point out that Judge Harper holds the distinction of being the first female Porter County deputy prosecutor and judge, and currently, she is the longest-serving female state court judge in Indiana.

In addition to her outstanding career, Judge Harper has served on many committees and organizational boards including the Board of Trustees of the Indiana Criminal Justice Institute, Board of Directors for the Indiana Council of Juvenile and Family Court Judges, State of Indiana Child Protection Task Force, and she served as Chair of the Indiana Juvenile Justice Improvement Committee, among many others. For her numerous contributions to the community of Northwest Indiana and beyond, Judge Harper has received numerous awards and accolades throughout her career, and she is truly worthy of the highest praise.

Mary Harper's dedication to the community of Northwest Indiana and her career is exceeded only by her devotion to her beloved husband, David, and her amazing son, James. I'm sure she will be enjoying quality time with her family in the years to come.

Madam Speaker, I ask that you and my other distinguished colleagues join me in honoring Judge Mary Harper for her outstanding service to the people of Porter County and to

wish her well upon her retirement. Mary's impact on the region and her work with the youth of our communities is truly admirable. For her many contributions, Judge Harper is worthy of our gratitude, and we have been honored to have her presence in the judiciary for so long.

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life and military service of Colonel Larry McGaughy Mims, who passed away on December 16th at the age of 80.

Colonel Larry Mims' life was one of service, grace, love for his family, and community. He will be greatly missed by all whom he encountered.

LETTER FROM PRESIDENT TRUMP

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 18, 2019

Mr. WILSON of South Carolina. Madam Speaker, now and in the future the American people need to know the truth about events today as correctly chronicled in this letter from President Trump to Speaker PELOSI. His truth will prevail, despite 93 percent biased media coverage.

THE WHITE HOUSE,
Washington, DC, December 17, 2019.

Hon. NANCY PELOSI,
Speaker of the House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER, I write to express my strongest and most powerful protest against the partisan impeachment crusade being pursued by the Democrats in the House of Representatives. This impeachment represents an unprecedented and unconstitutional abuse of power by Democrat Lawmakers, unequaled in nearly two and a half centuries of American legislative history.

The Articles of Impeachment introduced by the House Judiciary Committee are not recognizable under any standard of Constitutional theory, interpretation, or jurisprudence. They include no crimes, no misdemeanors, and no offenses whatsoever. You have cheapened the importance of the very ugly word, impeachment!

By proceeding with your invalid impeachment, you are violating your oaths of office, you are breaking your allegiance to the Constitution, and you are declaring open war on American Democracy. You dare to invoke the Founding Fathers in pursuit of this election-nullification scheme—yet your spiteful actions display unfettered contempt for America's founding and your egregious conduct threatens to destroy that which our Founders pledged their very lives to build. Even worse than offending the Founding Fathers, you are offending Americans of faith by continually saying "I pray for the President," when you know this statement is not true, unless it is meant in a negative sense. It is a terrible thing you are doing, but you will have to live with it, not I!

Your first claim, "Abuse of Power," is a completely disingenuous, meritless, and baseless invention of your imagination. You know that I had a totally innocent conversation with the President of Ukraine. I then had a second conversation that has been misquoted, mischaracterized, and fraudulently misrepresented. Fortunately, there was a transcript of the conversation taken, and you know from the transcript (which was immediately made available) that the paragraph in question was perfect. I said to President Zelensky: "I would like you to do us a favor, though, because our country has been through a lot and Ukraine knows a lot about it." I said do us a favor, not me, and our country, not a campaign. I then mentioned the Attorney General of the United States. Every time I talk with a foreign leader, I put America's interests first, just as I did with President Zelensky.

You are turning a policy disagreement between two branches of government into an impeachable offense—it is no more legitimate than the Executive Branch charging members of Congress with crimes for the lawful exercise of legislative power.

You know full well that Vice President Biden used his office and \$1 billion dollars of U.S. aid money to coerce Ukraine into firing the prosecutor who was digging into the company paying his son millions of dollars. You know this because Biden bragged about it on video. Biden openly stated: "I said, 'I'm telling you, you're not getting the billion dollars' . . . I looked at them and said: 'I'm leaving in six hours. If the prosecutor is not fired, you're not getting the money.' Well, son of a bitch. He got fired." Even Joe Biden

admitted just days ago in an interview with NPR that it “looked bad.” Now you are trying to impeach me by falsely accusing me of doing what Joe Biden has admitted he actually did.

President Zelensky has repeatedly declared that I did nothing wrong, and that there was No Pressure. He further emphasized that it was a “good phone call,” that “I don’t feel pressure,” and explicitly stressed that “nobody pushed me.” The Ukrainian Foreign Minister stated very clearly: “I have never seen a direct link between investigations and security assistance.” He also said there was “No Pressure.” Senator Ron Johnson of Wisconsin, a supporter of Ukraine who met privately with President Zelensky, has said: “At no time during this meeting . . . was there any mention by Zelensky or any Ukrainian that they were feeling pressure to do anything in return for the military aid.” Many meetings have been held between representatives of Ukraine and our country. Never once did Ukraine complain about pressure being applied—not once! Ambassador Sondland testified that I told him: “No quid pro quo. I want nothing. I want nothing. I want President Zelensky to do the right thing, do what he ran on.”

The second claim, so-called “Obstruction of Congress,” is preposterous and dangerous. House Democrats are trying to impeach the duly elected President of the United States for asserting Constitutionally based privileges that have been asserted on a bipartisan basis by administrations of both political parties throughout our Nation’s history. Under that standard every American president would have been impeached many times over. As liberal law professor Jonathan Turley warned when addressing Congressional Democrats: “I can’t emphasize this enough . . . if you impeach a president, if you make a high crime and misdemeanor out of going to the courts, it is an abuse of power. It’s your abuse of power. You’re doing precisely what you’re criticizing the President for doing.”

Everyone, you included, knows what is really happening. Your chosen candidate lost the election in 2016, in an Electoral College landslide (306-227), and you and your party have never recovered from this defeat. You have developed a full-fledged case of what many in the media call Trump Derangement Syndrome and sadly, you will never get over it! You are unwilling and unable to accept the verdict issued at the ballot box during the great Election of 2016. So you have spent three straight years attempting to overturn the will of the American people and nullify their votes. You view democracy as your enemy!

Speaker Pelosi, you admitted just last week at a public forum that your party’s impeachment effort has been going on for “two and a half years,” long before you ever heard about a phone call with Ukraine. Nineteen minutes after I took the oath of office, the Washington Post published a story headlined, “The Campaign to Impeach President Trump Has Begun.” Less than three months after my inauguration, Representative Maxine Waters stated, “I’m going to fight every day until he’s impeached.” House Democrats introduced the first impeachment resolution against me within months of my inauguration, for what will be regarded as one of our country’s best decisions, the firing of James Comey (see Inspector General Reports)—who the world now knows is one of the dirtiest cops our Nation has ever seen. A ranting and raving Congresswoman, Rashida Tlaib, declared just hours after she was sworn into office, “We’re gonna go in there and we’re gonna impeach the motherf****r.” Representative Al Green said in May, “I’m concerned that if we don’t impeach this presi-

dent, he will get re-elected.” Again, you and your allies said, and did, all of these things long before you ever heard of President Zelensky or anything related to Ukraine. As you know very well, this impeachment drive has nothing to do with Ukraine, or the totally appropriate conversation I had with its new president. It only has to do with your attempt to undo the election of 2016 and steal the election of 2020!

Congressman Adam Schiff cheated and lied all the way up to the present day, even going so far as to fraudulently make up, out of thin air, my conversation with President Zelensky of Ukraine and read this fantasy language to Congress as though it were said by me. His shameless lies and deceptions, dating all the way back to the Russia Hoax, is one of the main reasons we are here today.

You and your party are desperate to distract from America’s extraordinary economy, incredible jobs boom, record stock market, soaring confidence, and flourishing citizens. Your party simply cannot compete with our record: 7 million new jobs; the lowest-ever unemployment for African Americans, Hispanic Americans, and Asian Americans; a rebuilt military; a completely reformed VA with Choice and Accountability for our great veterans; more than 170 new federal judges and two Supreme Court Justices; historic tax and regulation cuts; the elimination of the individual mandate; the first decline in prescription drug prices in half a century; the first new branch of the United States Military since 1947, the Space Force; strong protection of the Second Amendment; criminal justice reform; a defeated ISIS caliphate and the killing of the world’s number one terrorist leader, al-Baghdadi; the replacement of the disastrous NAFTA trade deal with the wonderful USMCA (Mexico and Canada); a breakthrough Phase One trade deal with China; massive new trade deals with Japan and South Korea; withdrawal from the terrible Iran Nuclear Deal; cancellation of the unfair and costly Paris Climate Accord; becoming the world’s top energy producer; recognition of Israel’s capital, opening the American Embassy in Jerusalem, and recognizing Israeli sovereignty over the Golan Heights; a colossal reduction in illegal border crossings, the ending of Catch-and-Release, and the building of the Southern Border Wall—and that is just the beginning, there is so much more: You cannot defend your extreme policies—open borders, mass migration, high crime, crippling taxes, socialized healthcare, destruction of American energy, late-term taxpayer-funded abortion, elimination of the Second Amendment, radical far-left theories of law and justice, and constant partisan obstruction of both common sense and common good.

There is nothing I would rather do than stop referring to your party as the Do-Nothing Democrats. Unfortunately, I don’t know that you will ever give me a chance to do so.

After three years of unfair and unwarranted investigations, 45 million dollars spent, 18 angry Democrat prosecutors, the entire force of the FBI, headed by leadership now proven to be totally incompetent and corrupt, you have found NOTHING! Few people in high position could have endured or passed this test. You do not know, nor do you care, the great damage and hurt you have inflicted upon wonderful and loving members of my family. You conducted a fake investigation upon the democratically elected President of the United States, and you are doing it yet again.

There are not many people who could have taken the punishment inflicted during this period of time, and yet done so much for the success of America and its citizens. But instead of putting our country first, you have

decided to disgrace our country still further. You completely failed with the Mueller report because there was nothing to find, so you decided to take the next hoax that came along, the phone call with Ukraine—even though it was a perfect call. And by the way, when I speak to foreign countries, there are many people, with permission, listening to the call on both sides of the conversation.

You are the ones interfering in America’s elections. You are the ones subverting America’s Democracy. You are the ones Obstructing Justice. You are the ones bringing pain and suffering to our Republic for your own selfish personal, political, and partisan gain.

Before the Impeachment Hoax, it was the Russian Witch Hunt. Against all evidence, and regardless of the truth, you and your deputies claimed that my campaign colluded with the Russians—a grave, malicious, and slanderous lie, a falsehood like no other. You forced our Nation through turmoil and torment over a wholly fabricated story, illegally purchased from a foreign spy by Hillary Clinton and the DNC in order to assault our democracy. Yet, when the monstrous lie was debunked and this Democrat conspiracy dissolved into dust, you did not apologize. You did not recant. You did not ask to be forgiven. You showed no remorse, no capacity for self-reflection. Instead, you pursued your next libelous and vicious crusade—you engineered an attempt to frame and defame an innocent person. All of this was motivated by personal political calculation. Your Speakership and your party are held hostage by your most deranged and radical representatives of the far left. Each one of your members lives in fear of a socialist primary challenger—this is what is driving impeachment. Look at Congressman Nadler’s challenger. Look at yourself and others. Do not take our country down with your party.

If you truly cared about freedom and liberty for our Nation, then you would be devoting your vast investigative resources to exposing the full truth concerning the FBI’s horrifying abuses of power before, during, and after the 2016 election—including the use of spies against my campaign, the submission of false evidence to a FISA court, and the concealment of exculpatory evidence in order to frame the innocent. The FBI has great and honorable people, but the leadership was inept and corrupt. I would think that you would personally be appalled by these revelations because in your press conference the day you announced impeachment, you tied the impeachment effort directly to the completely discredited Russia Hoax, declaring twice that “all roads lead to Putin,” when you know that is an abject lie. I have been far tougher on Russia than President Obama ever even thought to be.

Any member of Congress who votes in support of impeachment—against every shred of truth, fact, evidence, and legal principle—is showing how deeply they revile the voters and how truly they detest America’s Constitutional order. Our Founders feared the tribalization of partisan politics, and you are bringing their worst fears to life.

Worse still, I have been deprived of basic Constitutional Due Process from the beginning of this impeachment scam right up until the present. I have been denied the most fundamental rights afforded by the Constitution, including the right to present evidence, to have my own counsel present, to confront accusers, and to call and cross-examine witnesses, like the so-called whistle blower who started this entire hoax with a false report of the phone call that bears no relationship to the actual phone call that was made. Once I presented the transcribed call, which surprised and shocked the fraudsters (they never thought that such evidence would be presented), the so-called

whistleblower, and the second whistleblower, disappeared because they got caught, their report was a fraud, and they were no longer going to be made available to us. In other words, once the phone call was made public, your whole plot blew up, but that didn't stop you from continuing.

More due process was afforded to those accused in the Salem Witch Trials.

You and others on your committees have long said impeachment must be bipartisan—it is not. You said it was very divisive—it certainly is, even far more than you ever thought possible—and it will only get worse!

This is nothing more than an illegal, partisan attempted coup that will, based on recent sentiment, badly fail at the voting booth. You are not just after me, as President, you are after the entire Republican Party. But because of this colossal injustice, our party is more united than it has ever been before. History will judge you harshly as you proceed with this impeachment charade. Your legacy will be that of turning the House of Representatives from a revered legislative body into a Star Chamber of partisan persecution.

Perhaps most insulting of all is your false display of solemnity. You apparently have so little respect for the American People that you expect them to believe that you are approaching this impeachment somberly, reservedly, and reluctantly. No intelligent person believes what you are saying. Since the moment I won the election, the Democrat Party has been possessed by Impeachment Fever. There is no reticence. This is not a somber affair. You are making a mockery of impeachment and you are scarcely concealing your hatred of me, of the Republican Party, and tens of millions of patriotic Americans. The voters are wise, and they are seeing straight through this empty, hollow, and dangerous game you are playing.

I have no doubt the American people will hold you and the Democrats fully responsible in the upcoming 2020 election. They will not soon forgive your perversion of justice and abuse of power.

There is far too much that needs to be done to improve the lives of our citizens. It is time for you and the highly partisan Democrats in Congress to immediately cease this impeachment fantasy and get back to work for the American People. While I have no expectation that you will do so, I write this letter to you for the purpose of history and to put my thoughts on a permanent and indelible record.

One hundred years from now, when people look back at this affair, I want them to understand it, and learn from it, so that it can never happen to another President again.

Sincerely yours,

DONALD J. TRUMP,
President of the United States of America.

TRIBUTE TO LESLIE ALBRIGHT

HON. KAY GRANGER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 18, 2019

Ms. GRANGER. Madam Speaker, I rise today to honor Leslie Albright, a member of the professional staff of the House Appropriations Committee, who plans to retire after 17 years with the Committee.

Leslie, who earned a bachelor's degree in journalism from the State University of New York in Plattsburgh and a Master's degree in Public Affairs from Boston University, started her Federal career in 1991 working for the U.S. Travel and Tourism Administration. She later went on to become a management and budget analyst for the Department of Commerce.

In 2001, Leslie joined the House Commerce, Justice, State Appropriations Subcommittee where she was responsible for funding and oversight of the Department of Justice. In the wake of the horrific terrorist attacks that happened on September 11th of that year, Leslie and Chairman Wolf worked tirelessly to ensure that the Department of Justice, and the Federal Bureau of Investigation (FBI) in particular, had the resources necessary to protect the nation. Leslie's efforts helped reform the FBI from an organization focused on criminal investigations into an intelligence organization capable of addressing today's security threats.

Leslie's work protecting our nation did not end with the FBI. She went on to work for the Defense Subcommittee where she should focus on national security programs.

After having her son, Marion, Leslie worked for the Committee's Surveys and Investigations staff where she conducted programmatic

reviews of the Departments of State and Veterans Affairs and the U.S. Capitol Police.

In 2011, Leslie rejoined the Commerce, Justice, Science Subcommittee. Here she worked to improve fisheries management, weather forecasting, disaster response and protection of intellectual property rights. She also worked with the National Science Foundation to increase the amount of basic research conducted in the United States and worked with the National Space and Aeronautics Administration (NASA) on space exploration. Leslie and Chairman Culberson worked not only to ensure that NASA had the resources required for a robust space exploration program but challenged NASA to develop executable and achievable plans. When NASA returns to the Moon, explores Mars, and finds life on another planet or the Jupiter moon, Europa, know that Leslie helped lay the ground work for these missions to be developed and appropriately resourced.

In 2019, Leslie became the Republican Clerk of the Defense Subcommittee. It is in this position that I began working closely with Leslie. In short amount of time, she became an expert on the operations of the Defense Department and has been a critical advisor to myself and Ranking Member Calvert.

I am very thankful for Leslie's hard work, over numerous years and at great sacrifice to her family, to support the Appropriations Committee and operations of the Federal government. Leslie's contributions have improved so many Federal programs and agencies. She has protected our nation from countless threats, advanced science in America, and pushed NASA to dream big and inspire the nation.

I know Leslie is looking forward to spending more well deserved time with her family. We wish her well, thank her for everything she has done for the country, and know that she will excel at any future endeavors she pursues.

Mrs. LURIA. Madam Speaker, I rise today to honor and recognize Anita Blanton on receiving the 2020 Outstanding Women in the Community Service Award for the Tidewater Chapter of the National Coalition of 100 Black Women, Inc. This award was developed to honor women who are making significant contributions to their community through their time, actions, talents, and dedication. This is an amazing accomplishment.
